Subject: Notice of File Closure and Release of Reclamation Surety, Gene Henrie DBA Quality Crush, Maria pit Overburden Dump Pile and Essex Mill Tailings Pond Rec. S/001/0074 and S/001/0075; Beaver County, Utah

Dear Mr. Henrie:

The following Small Mine permits, S/001/0074 and S/001/0075 located in Beaver County, Utah, will now be closed and the files retired.

Enclosed please find a check for \$23,558.11, which represents your original type of surety for both sites.

We are returning your original reclamation contracts to you for your disposal or records.

You are hereby released by the Division from further reclamation responsibilities at these sites. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit new notices to the Division and other appropriate agency(ies), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Tom Munson at (801) 538-5321. Thank you for your patience.

Sincerely,

Paul B. Baker
Minerals Program Manager
